AMENDMENTS TO THE CLAIMS

1. (currently amended) A method of processing a purchase order for a consumer-specific assortment of feminine care products, the method comprising the steps of:

determining at a first location an assortment of feminine care products for a consumer at a second location remote from the first location based on information provided by the consumer, the determined assortment of feminine care products including a non-commercial quantity of at least one type of absorbent catamenial product; ~~and~~

accepting at the first location a purchase order placed by the consumer at the second location for at least the determined assortment of feminine care products; and

prompting the consumer to place another purchase order for products corresponding to the determined assortment of feminine care products.

2. (original) The method of claim 1 wherein said information is provided and said purchase order is placed by the consumer through a computer network.

3. (original) The method of claim 1 wherein the determined assortment of feminine care products includes non-commercial quantities of multiple types of absorbent catamenial products.

4. (original) The method of claim 1 wherein the determined assortment of feminine care products includes at least one product selected from the group consisting of menstrual cramp medication and contraceptives.

K-C 15,979
KCC 4711.1

5. (currently amended) The method of claim 1 wherein said information represents a selection by the consumer of products which comprise the determined assortment of feminine care products.

6. (original) The method of claim 1 wherein the determining step includes presenting questions to the consumer regarding her monthly cycle, and said information represents the consumer's answers to said questions.

7. (original) The method of claim 1 wherein the purchase order includes payment information.

8. (original) The method of claim 1 wherein the purchase order includes a target delivery date.

9. (original) The method of claim 1 further comprising the step of storing data representing the determined assortment of feminine care products for subsequent retrieval and use with the consumer.

10. (original) The method of claim 1 further comprising the step of fulfilling the purchase order placed by the consumer.

11. (original) The method of claim 10 wherein the fulfilling step includes delivering the ordered assortment of feminine care products to the consumer.

12. (currently amended) The method of claim 11 wherein the fulfilling step includes delivering the ordered

K-C 15,979

KCC 4711.1

assortment of feminine care products to the consumer along with a reusable storage container for said ordered assortment of feminine care products.

13. (original) The method of claim 12 wherein the fulfilling step includes delivering a subsequent order of feminine care products to the consumer without a reusable storage container for said products.

14. (canceled).

15. (currently amended) The method of claim ~~14~~ 1 wherein the prompting step includes sending email to the consumer.

16. (currently amended) The method of claim ~~14~~ 1 wherein the prompting step includes periodically prompting the consumer to place another purchase order for an assortment of feminine care products.

17. (currently amended) The method of claim ~~14~~ 1 wherein the prompting step includes advising the consumer of the assortment of feminine care products last ordered by the consumer.

18. (currently amended) A method of processing a purchase order for a consumer-specific assortment of feminine care products, the method comprising the steps of:
collecting at a first location information from a consumer at a second location remote from the first

K-C 15,979

KCC 4711.1

location, said information relating to the consumer's monthly cycle;

recommending to the consumer at the second location an assortment of feminine care products based upon the collected information; and

accepting at the first location a purchase order placed by the consumer at the second location for at least the recommended assortment of feminine care products; and

prompting the consumer periodically as a function of the collected information and the accepted purchase order to place another purchase order for products corresponding to the recommended assortment of feminine care products.

19. (original) The method of claim 18 wherein the recommended assortment of feminine care products includes multiple types of absorbent catamenial products.

20. (original) The method of claim 18 wherein the recommended assortment of feminine care products includes a non-commercial quantity of at least one type of absorbent catamenial product.

21. (original) The method of claim 20 wherein the recommended assortment of feminine care products includes non-commercial quantities of multiple types of absorbent catamenial products.

22. (original) The method of claim 18 wherein the recommended assortment of feminine care products includes at least one product selected from the group consisting of
